

# FFC Little Ones

## God Gives Me Food

### Doll Play

Gather the dolls in your room. Then, using play bottles, food, and utensils, have kids feed the dolls. As they do, say: **God gives us food. He gives us yummy things to eat to make us strong. Thank you, God, for giving us food!**

### Ball Play

You'll need the *Play-n-Worship* CD, a CD player, and balls. Form a circle on the floor with kids. Remind kids that Jesus used one little boy's lunch to feed many people. Say: **Jesus fed all those people with one lunch, and he gives us food to eat, too. Let's pretend these balls are different foods we can share with our friends.** Have kids pass the balls around the circle as they sing along with "Be Thankful" from the CD.
