

# FFC Little Ones

## God Cares For Me

### Block Play

Let kids each collect two blocks. Say: **Storms make a lot of noise!** Let's see if we can make some noise! Model clacking the blocks together. Then pretend to calm the storm. When you say, "Be still!" kids stop clacking their blocks. Play several times. Afterward, say: **Jesus stopped the scary storm and saved his friends. Jesus took care of his friends. God takes care of us.**

### Doll Play

Gather dolls and stuffed animals. Cuddle a doll or animal and say: **We take care of our dolls. Jesus took care of his friends. God takes care of us.** Let kids hold, feed, dress, brush, and cuddle the dolls and animals. As they hold the dolls and animals, say with them, "God loves me. God takes care of me."

### Game

Have kids become a terrible storm. Model waving your hands high in the air for waves on the sea. Then show them how to make storm sounds (clapping, stomping). Practice a few times. Then let kids be the terrible storm while you pretend to sleep. When you hold up your hand and say, "Stop, storm!" kids freeze. Play several times.

### Bin Play

With kids, collect a few toys in plastic bins or buckets. Place the bins or buckets on the floor. Then have kids quickly slide them back and forth to simulate a noisy storm. Say: **The storm was noisy and scary. But Jesus stopped the storm and made everyone safe. Jesus took care of his friends. And God takes care of us.**

### Action Prayer

*Have kids stand and repeat the action prayer after you.*

**When I'm scared,** (nibble fingers)

**When I'm afraid,** (look around nervously)

**God keeps me safe** (hug self)

**From storms and waves**

(make wave motion moving hand across body)

**When I'm scared,** (nibble fingers)

**When I'm afraid,** (look around nervously)

**God keeps me safe** (hug self)

**Everyday!** (spread arms wide)
